How do you turn
WORK
into **FUN?**

By volunteering for one of this year's scheduled work days, that's how.

(It's also a good way to find out just what goes into maintaining the trails we use.)

This summer each participating organization has one listed.

For ATIS, Tony Goodwin has the Deer Brook Trail to Snow on Monday, August 1. Tools will be provided, and you might even get to see one of the area's loveliest waterfalls.

Keene Valley Chapter has a Poke-O work day on August 10, and Hurricane Chapter has its annual Fall Trail Work Day on October 8.

But Wait ... There's More!

Once again this year, thanks to our ongoing cooperation with ADK, you have some bonus opportunities after our schedule ends.
